Government of Mysore, Law Department,

Sir,

Sub -Budget estimates of Devanhalli Town Municipality for 1944-45 forwarded for sanction-

I have the honour to forward herewith for favour of sanction of Government the budget estimates of Devanhalli Taluk Town Municipality together with the required statements and the resolution of the Municipal Council duly approving of the same

The Municipal Council anticipates an income and expenditure of Rs 16,200/- and Rs 15,031 during the year 1944-45 as against the sanctioned and revised estimate for Rs 121,45/- & Rs 12150/- and Rs 14,116/- and Rs 11,156/- respectively during the year 1943-44

Receipts, Under 1 (2) Taxes on buildings and lands an income of Rs 3600/- has been anticipated as against the sanction and revised estimates for Rs 3000/- and Rs 3600/- respectively during the year 43-44 The arrears are very heavy in this Municipality and require special attention by the Municipal staff to their collection Hence the provision under the head may be raised to Rs 4000/- for 1944-45

Under A (5) Tolls, a sum of Rs 2200/- has been provided as against the sanctioned and revised estimates for Rs 1350/- and Rs 1850/- respectively during 43-44 No reason is furnished for this heavy increase Hence the provision under this head may be reduced to Rs 2000/-

The other items of receipts may be retained

EXPENDITURE. Under A(2) Municipal Office establishment a sum of Rs 930/- has been provided for the temporary appointment of a chief officer on Rs 60/- per mensem for one year Sanction of Government has not been obtained for this appointment and the

and the same seems unnecessary also for this small
Hence the provision under this head may be deleted.

Under A II (2) other taxes a sum of Rs.270/- has been provi towards the Executive Officer's pay, at the rate of Rs.50/- per mensem. This is insufficient hence the provision may be raised to Rs.350/-

Under D (5) maintenance of public buildings, a sum of Rs.156/- has been provided for a fresh appointment of a care taker on Rs 8/- to look after the Town Hall building another sum of Rs 50/- has been provided under the same head towards the allowance for operating the Radio set. The second provision may be reduced to Rs.24/- (as prevalent in the other municipalities) subject to sanction of Government being obtained separately for the additional appointment and allowance.

The other items of expenditure may be retained

With the above modifications the financial position of the Municipality during 44-45 will be as follows.-

Opening balance on 1-7-1944 (actuals)		7214-2-9
Receipts		16400/-
T o t a l		23,614/-
Payments		14,155
Closing balance	Rs	9,459/-

The normal expenditure will be within the normal income and the prescribed minimum closing balance has been maintained

The arrears are heavy in this municipality The Assistant President will be instructed to take immediate necessary action for the reduction of arrears and augment the financial resources of the municipality I request that sanction of Government may be kindly obtained to the budget estimates of the Municipality for the year 1944-45 with the above modifications

I have the honour to be,
